Corporate Readiness Program for DHA Suffa University Students

Being a socially responsible organization, Security Papers Limited has traditionally played a proactive role in fulfilling its duties towards the betterment of the community. Keeping aligned with our values, a new CSR initiative titled “**Corporate Readiness Program**” has been introduced with an objective to support business schools and Engineering Universities in building talent pipeline by developing Youth of the country. In this context, first of the series of the programs was conducted at DHA Suffa University (DSU) on Tuesday, April 18.

Mr. Q.S. Imran Azam, General Manager (HR & Admin.) and Mr. Shoaib Siddiqui, Deputy General Manager (HR & Admin.) shared their valuable insights on “**Crafting Professional Resume To Impress Interviewers & Tips On Building LinkedIn Profile**”.

The program was very well received by the audience comprising of 40 of the DSU students of Engineering and Business discipline as a part of their Leadership Development Workshops 2017. They not only actively participated in the Question Answer session but also displayed keen interest in learning the modern trends for gaining success in the corporate world. Both Facilitators were also awarded with the “**Certificates of Appreciation**”.
