

## WORKSHOP TITLED “GROWTH MINDSET” SPECIALLY DESIGNED FOR STAFF & WORKERS AT SECURITY PAPERS LTD.

Overcoming a fixed mindset on a personal or team level isn't that simple, but there are several steps managers can take to nurture a growth mindset culture.

Keeping the above objectives in mind, a training workshop on “**Growth Mindset**” specially designed for Staff & Workers was conducted on Sep. 2, 2021 by Mr. Q.S. **Imran Azam**, General Manager, IMS at SPL who is also the Founder-Productivity Accelerator System and a sought-after Leadership Growth Strategist.

The course workshop was very well received by the audience comprising of over 15 Staff and workers. They really appreciated few powerful insights such as “**The Power of YET**” and difference between “**Growth and Fixed Mindset**”, “**Effective Strategies to shift from Fixed to Growth Mindset**”. Dr. Dweck’s research model was also applied for comprehending the link between **growth mindset and achievement**.
